

**We are now recruiting for  
LOGISTICS OPERATOR (M/F) (one year temporary contract)**  
the position is based in **Groningen, Netherlands.**

**THE COMPANY**

XVIVO Perfusion is a medical technology company, with headquarters in Gothenburg, Sweden, a production site in Lund, Sweden, offices in USA and Netherlands, and sales force in Europe, Australia, and China. The company is firmly rooted in medical science with its core business in Ex vivo Organ Perfusion. Our technology is used for organ transplantation. XVIVO Perfusion is the first in the world to offer both machines and consumables for all major solid organ perfusion. XVIVO Perfusion is committed to bringing innovative technology for storage, assessment, and treatment of organs to all transplant centres in the world, enabling the safe use of more donated organs and ultimately giving more patients the chance of a life-saving transplant. The ambition is to continue grow the business and increase the global presence.

**COMPANY CULTURE**

The culture of XVIVO is the culture of a small company with growth ambitions based on the foundation of a common belief that patient safety, our vision – “Nobody should die waiting for a new organ”, is key for our success. We strongly believe in the fact that nothing is impossible and thrive to get the job done. We always identify the problem but present solutions. We, no matter which position or work description, are always focused to help our customers.

**WHY WORK AT XVIVO?**

Working at XVIVO is more than a job – it is an opportunity to change the world for transplant patients waiting for a new organ. This position offers an opportunity for the right candidate to be part of the challenging and exciting journey shaping the company’s future and taking the business to new heights.
